

# AO Orthopaedic Research Summit 2025

We are pleased to welcome you on the **AO Orthopaedic Research Summit 2025**.  
To facilitate your planning before & during the event, please find herewith important information.

*16 - 19 June 2025 - Davos, Switzerland*

## Congress location

Davos Congress centre  
Talstrasse 49a  
CH-7270  
Davos Platz

## How to get there

- Davos has two train stations, Davos Dorf and Davos Platz. The Conference Center is almost halfway between these two, being slightly closer to Davos Dorf train station.
- The bus stops that you will mostly use are:
  - Davos Platz, Bahnhof (at the train station in Davos Platz)
  - Davos Dorf, Bahnhof (at the train station in Davos Dorf)
  - Davos Platz, Kongresszentrum (you guessed it!)
- The SBB [website](#) and the corresponding app provide the information of the whole Swiss public transportation network, including trains, buses and ships. Therefore, you can plan your trip very well. Moreover, on the website or the app, you can also buy your ticket in advance.
- For more information you can also visit:  
[ARI Orthopaedic Conferences - Location](#)  
[Congress Center Davos](#) | [Davos Congress](#)

## Admission

At the entrance you need to show your personal QR-Code of your eTicket.  
Scan your QR code at the dedicated Badge Registration Area and your personal badge will be automatically printed.

**Please arrive early** for this registration, as we are expecting over 800 participants. If everyone arrives just 30 minutes before we start, many may not make it to the opening.

Registration - **Sunday 17:00 - 18:30 & Monday 08:00 - 08:45**

Please help us **keep green** by **handing in your badge before you leave**.

Why? Because at the Summit, every badge returned is a win for:

 **Recycling** – let's give those badge holders a second life!

 **Reducing food wastage** – it helps us plan, and budget better for the following day (and 'planet' better).

 **Cutting costs & ♥ Giving back** – less spent = more chance for us to financially support the societies.

**You can keep your lanyard** but the badge? ...

Please leave that in the **Badge Drop Box** at the entrance on your way out.

## Program

The current program can be found here on the Oxford Abstracts platform which works like an app: [Program](#)

You can select and bookmark your preferred sessions with ease, as free Wi-Fi will be onsite. The **Wi-Fi network name is "Davos Congress"**. No password is needed.

You will receive a printed pocket guide on-site.

Here you can get a preview of it: [Summit-Pocket-Program-WEB.pdf](#)

## Promotion

Feel free to promote your session by downloading the promotion material here: [Promotion | 33rd Annual Meeting of the European Orthopaedic Research Society \(EORS\)](#)

## Additional bookings

If you have made additional selections to workshops, you can also view them and mark them on the online [Program](#).

## Certificate of attendance

After the congress, you will receive an email with a short survey. Once you've completed it, you will be able to download your attendance certificate.

Do you have **any further questions**? Please visit:
