

AO ORTHOPAEDIC RESEARCH SUMMIT

16TH - 19TH JUNE 2025

Sponsor & Exhibition Opportunity

Three Societies Combining Minds to Advance
Science and Clinical impact.

WELCOME TO THE AO ORTHOPAEDIC RESEARCH SUMMIT 2025

Nestled in the heart of the Swiss Alps, Davos is not only a breathtaking destination for its natural beauty but also a pivotal hub for scientific research, particularly in orthopaedics. Home to the renowned AO Foundation, Davos has been at the forefront of orthopaedic innovation and education, driving advancements that have revolutionized patient care worldwide. The town hosts cutting-edge research facilities and annual conferences that gather leading experts to share groundbreaking findings and best practices. In a joint venture, the AO Research Institute Davos ([ARI](#)), along with the European Orthopaedic Research Society ([EORS](#)) and the International Society for Computer Assisted Orthopaedic surgery ([CAOS](#)), will welcome you for a unique collaborative conference experience in June 2025.

25 Years ago, CAOS organised its first ever meeting which took place in Davos. 15 Years ago, ARI organised the 18th EORS congress entitled, 'The Summit of European orthopaedic Research'. Since 1999, ARI has continued to organise the ARI Orthopaedics conferences (formerly known as eCM conferences) attracting top scientists to participate in this focused single session meeting. Just like TERMIS 2017 and ESB 2023 offered a unique exhibitors' opportunity, in 2025, we will combine EORS, CAOS and ARI conferences in one as an exclusive congress to form the AO Orthopaedic Research Summit.

The AO Orthopaedic Research Summit will attract a wide multidisciplinary group of participants that bring together experts and thought leaders in fields related to biology, (bio)material science, tissue engineering, orthopedic surgery and robotics. This congress will be a unique opportunity to share your most recent scientific advances and technological developments across three societies which will offer a productive platform to foster innovative and collaborative networking within these fields.

As a sponsor for this unique combined event, you can address a varied audience as well as understand the current needs and trends in these fields. With over 600 participants expected, the AO Orthopaedic Research Summit is the optimal event to reach orthopaedic surgeon and scientific communities. Not only will your support enhance your company's visibility and reputation amongst leading orthopaedic professionals, but it will also contribute to the insights of groundbreaking research and improved patient outcomes globally.

EXHIBITION DETAILS

- A commercial exhibition will be held as a central feature of the congress during the entire duration of the week from 8am, Monday 16th of June, to 12pm Thursday 19th June.
- 2-3 Areas will be available for exhibition, as detailed in the attached congress maps on page 8 (www.davoscongress.ch).
- All participants must pass through the exhibition corridor to gain access to the lecture halls and through the main exhibition hall to enter the main lecture room, where all plenary lectures will be held.
- Coffee breaks, daily lunch and networking areas will be held within the main exhibition areas.
- Exhibition spaces are limited and will be allocated on a sponsorship level basis (detailed below) and within each level a first-come, first-served basis (multiple choices are available).
- The organizing committee remains available to discuss additional tailored packages for sponsors with particular requirements.

Contract for Sponsors/Exhibitors

This congress, upon written acceptance of this Application and Contract, is to assign sponsorship and/or exhibit space to the applicant under all the terms, conditions, and requirements as stated below. The Applicant can apply for the following categories; multiple selections are possible.

SPONSOR CLASSIFICATION

Each Sponsoring Category includes the following benefits:

- Company name, logo and sponsoring category in the final program
- Inclusion in the listing on the welcome sponsor sign
- Company logo, sponsoring category & link to homepage on the conference site
- Allowance to place job adverts on the conference job adverts poster board

In addition to these basic benefits, additional benefits apply, as listed for each category.

- Three exhibitor registrations (access to scientific sessions, opening reception, conference dinner, daily lunch, coffee breaks)
- Up to 12m2 exhibition booth space (including 1 table, 2 chairs, and electric socket extension)*
- Second choice of exhibition booth location, after Platinum sponsor **
- Second priority on the opportunity to sponsor speakers or satellite events, such as workshop, or lunch symposia, after Platinum sponsor
- Sponsor logo on Conference Announcements/Advertisements
- Sponsor logo and URL on Conference Website, as Gold sponsor
- Sponsor advertisement on Conference Website
- Sponsor may send one follow up communication to delegates post-event through chosen society, no electronic list will be provided in compliance with GDPR

* Additional furniture or technical equipment/help may be arranged upon request

** First come first served basis from the possible three Gold sponsors

Silver Package

CHF 10'000, for up to 10 companies

- Two exhibitor registrations (access to all scientific sessions, opening reception, conference dinner, daily lunch, coffee breaks)
- Up to 9m2 exhibition booth space (including 1 table, 2 chairs, and electric socket extension)*
- Third choice of exhibition booth location, after Platinum and Gold sponsors *
- Sponsor logo and URL on Conference Website, as Silver sponsor

* First come first served basis from the possible 10 Silver sponsors

Bronze Package

CHF 6'000, several available

- One exhibitor registration (access to scientific sessions, opening reception, conference dinner, daily lunch, coffee breaks)
- Up to 6m2 exhibition booth space (including 1 table, 2 chairs, and electric socket extension)
- Exhibition booth location delegated by organizers
- Sponsor logo and URL on Conference Website, as Bronze sponsor

Digital Package

CHF 5'000, several available

- Logo and URL on one Conference Website.

OTHER SPONSORSHIP OPPORTUNITIES

WELCOME RECEPTION - Monday 16th June 2025

This event will take place in the exhibition area. It offers superior visibility with a perfect networking opportunity.

The sponsor will obtain:

- Company logo on catering tables
- Roll-up banners may be displayed
- 2 complimentary event invitations
- Oral acknowledgement by the conference chairs during the reception
- Acknowledgement in the final program and on the conference official website

GALA DINNER - Tuesday 17th June 2025

Sponsoring the Gala Dinner will be a memorable event and it provides an opportunity to interact with all delegates with high visibility.

The sponsor will obtain:

- Company logo on the menu card
- Oral acknowledgement from conference chairs
- Acknowledgement in the final program and on the conference official website
- 4 tickets to the Gala Dinner

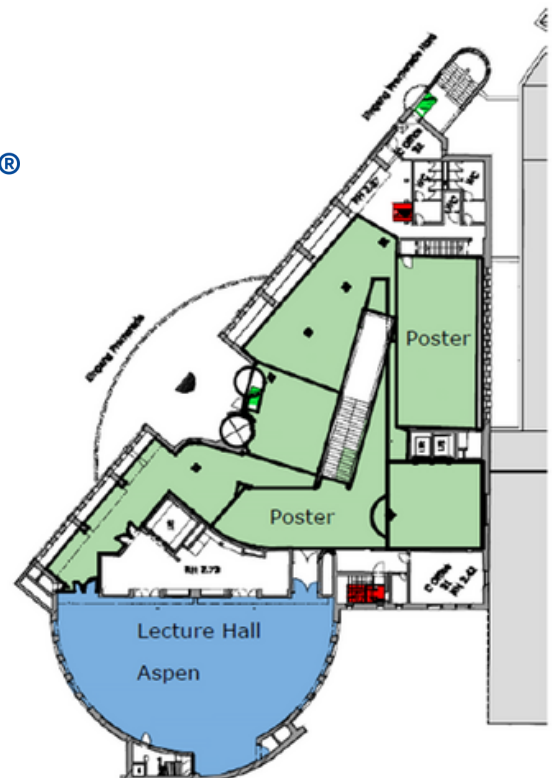

NEW INVESTIGATORS EVENT - Monday 16th June 2025

New Investigators are defined as university students (undergraduate or graduate) or employees of an academic institution in the field of orthopaedic research, who have obtained their doctoral degree (MS, MD, PhD, DVM) or orthopaedic residency within the past 5 years. This is a well attended event (usually sold out) and will give sponsors very high visibility, especially among investigators below 40 years of age.

The sponsor will obtain:

- Company logo on the menu card
- Oral acknowledgement from conference chairs
- Acknowledgement in the final program and on the conference official website

EXHIBITION MAP

Sponsors can rent additional material directly from the Congress Center, please see <https://www.davoscongress.ch/en/congresses-events>. For any additional info please contact Mr. Ulrich Bentz at eors-caos-2025@aofoundation.org.
