

Symposium Application Form

33rd Annual EORS Meeting

We are **honored** to announce that the Guest Nation for the 33rd Annual EORS Meeting in 2025 will be China. This was accepted on behalf of **China** by Professor Zhoujing Luo, MD, PhD, President of the China Orthopaedic Research Society

We highly recommend the submission of symposia by sister societies and other orthopaedic societies in the recommended fields as part of this special collaborative meeting showcasing academic excellence.

Instructions and relevant information

Standard symposia consist of one 20-minute keynote lecture plus 5 minutes discussion, followed by 5 oral presentations, each consisting of 8 minutes plus 4 minutes for discussion. Each symposium has a main applicant, and optionally a co-applicant. Please indicate a symposium chair and co-chair. The EORS2025 organizers strongly encourage to indicate a young investigator as co-chair. Chairs and co-chairs can be the same as the main applicant and co-applicant.

The keynote speaker and at least 2 more speakers (speaker 1 & 2) must be selected by the applicants and indicated below. Ideally, all speakers are selected by the applicants. If not fully selected, the congress organizers will complete the content list of the symposia. Please note that:

- Due to financial restrictions the congress organizers will not provide any financial support for symposia speakers.
- **Deadline** for application submission is **15th November 2024**.
- Upon acceptance of the symposium application, all speakers have to submit an abstract before **December 20th 2024** and register to the congress by **April 7th 2025**.
- Congress organizers reserve the right to slightly modify the symposium title or to merge symposia among them or with other sessions to optimize the homogeneity of the program, the number of oral presentations and the coherence with the session title. Every change will be agreed upon with the symposia applicants.

Kindly save your application file as **EORS_SURNAME_Symposium2025** and send the application via email to eors-caos-2025@aofoundation.org entitled:

‘SURNAME–EORS Symposium Application 2025’

Thank you in advance for your contribution and interest. We look forward to meeting you in Davos.

Kind Regards

EORS Congress Organizers
